VICTOR GRABEL, Professor of Wind and Percussion Instruments
ELEANOR LEEK, M. M., Associate Professor of Cello and Ensemble
WILLIAM E. BRANTHOOVER, Instructor in Clarinet
ROBERT C. FEASEL, Instructor in Cornet
DONALD C. YAXLEY, Instructor in Trombone and Euphonium

General Information

LOCATION AND CLIMATE

The University is located at DeLand, Volusia County, Florida, about one hundred miles south of Jacksonville, and twenty-four miles from Daytona Beach. It may be reached by the Atlantic Coast Line Railway or the Florida Motor Lines. The site was chosen because it is on high pine land in a rolling country remarkable for its healthfulness, orange groves, and native pine woods. The climate is delightful. People live out of doors in the sunshine the year around. Students who are unable, because of poor health, to attend college in the North find that they may here pursue their studies regularly and at the same time improve in health. Because of the climate and the high standards of the University, many northern families have established homes here.

GROUNDS, BUILDINGS, AND EQUIPMENT

The campus of the University consists of forty-three acres situated in the northern part of DeLand. The University is housed in seventeen buildings as follows: *DeLand Hall, Stetson Hall, President's Home, Elizabeth Hall, Chaudoin Hall, Science Hall, the Central Heating and Lighting Plant, the Library, Conrad Hall, Cummings Gymnasium for Women, Hulley Gymnasium for Men, the Irving C. Stover Little Theatre, the Hulley Chimes Tower, the Commons Building, Stevens Hall, Brittain Hall, and the Campus Soda Shop and University Post Office.*

The University has an endowed library of approximately forty-five thousand volumes together with four hundred periodicals and a separate law library of fourteen thousand volumes. It has an attractive chapel with a beautifully-toned pipe organ, a comprehensive and well arranged museum, ten laboratory rooms for chemistry, physics, biology, geology, and general science, a large assortment of costly appliances, well equipped iron shops, indoor gymnasium apparatus, enclosed athletic field, tennis courts, baseball diamond, football gridiron, and has nearby facilities for golf, swimming, rowing, horseback riding, and other sports.

The University Commons has an attractively furnished lounge, two cafeterias, a grill room, and kitchen. All meals are prepared by an experienced chef under the supervision of a trained dietitian. Only the best materials are purchased and meals are prepared under the most sanitary conditions, thus assuring substantial, wholesome, and appetizing food.

The infirmary service of the University, under the direction of two competent graduate nurses, provides for the care of all minor illnesses and the relief of acute conditions which do not

require special nursing. Supplementary to the services afforded by the University infirmary, a student may at his own expense secure any available physician he desires. In the event of serious illness the University always notifies the student's parents at once.

The Stetson Book Store is owned and operated by the University. It handles text books and supplies needed by the students.

ADMISSION

Persons who are planning to enter Stetson for the first time this summer, including those from other institutions, should send a transcript of their credits to the Registrar as soon as possible and make the necessary application for admission. Blanks for this purpose may be secured from the Registrar. An applicant who has been in attendance at an accredited college must be eligible to return to the college or university last attended and must have maintained a satisfactory academic record.

An applicant for admission to the freshman class must be a graduate of an accredited secondary school with a minimum of fifteen units of credit, three of which must be in English. The student should ask his high school principal to send a transcript of his credits to the Registrar of the University.

Applicants who have graduated from a non-accredited secondary school or who cannot establish entrance credits may be admitted by examination. Entrance examinations will be given immediately before the opening of each academic quarter. A person twenty-one years of age or older who is unable to establish entrance credits may take a comprehensive entrance examination.

For further information write to the Registrar.

DEGREE REQUIREMENTS

The University offers courses leading to the degrees of Bachelor of Arts, Bachelor of Laws, Bachelor of Science, Bachelor of Music, Master of Arts, and Master of Science. Students taking work toward college degrees should familiarize themselves with the degree requirements of the University. Those with two or more years of college credit should have credit sheets checked by the Registrar before the beginning of the term.

A minimum of thirty-six majors is required for the A. B. B.S., or B.M. degree, twelve of which must be of junior-senior rank. In addition to specific requirements in the major field, certain courses are required of all students in the University who receive degrees. They are as follows:

English	-----	two majors
Religion	-----	one major
Physical Education	-----	two years

A full year of residence is required for graduation.

An average grade of C-plus (2.0 quality point average) and a minimum of 72 quality points is required for graduation.

GENERAL EXPENSES

The University operates on the quarterly basis. The expense items given below are for the quarter.

Matriculation Fee -----	\$ 5.00
(Payable only once, upon admission to the University.)	
Tuition—Three to four majors -----	\$ 90.00
Two majors -----	60.00
One major -----	30.00
One major - Auditors -----	15.00

Room Rent:

For Women—Stetson Hall

Double Room -----	\$50.00 to 60.00
Single Room -----	80.00 to 100.00

For Men:

Double Room -----	\$45.00
Single Room -----	\$60.00 to 90.00

Board in Commons and Naval Base Cafeteria ----- \$75.00

Laboratory Fees ----- 6.00

Laboratory Breakage Fee ----- 5.00

Room Breakage Fee ----- 5.00

(Refundable on graduation or permanent withdrawal.)

Golf Fee ----- 10.00

Graduation Fee ----- 10.00

ROOMING FACILITIES

Excellent rooming facilities are provided by the University for all students who wish such accommodations. A deposit of \$10.00 is required to reserve a room. Students who live in the dormitories will need sheets (single), towels, pillowcases, and any articles with which they may wish to make their room attractive.

DIVISIONS IN THE COLLEGE OF LIBERAL ARTS

I. *The Humanities*—Subjects relating to the expression and communication of ideals and values. Dr. W. Hugh McEniry, chairman. (Art, Drama and Speech, English, French, German, Greek, Latin, Music, Philosophy, Religion, Spanish).

II. *The Natural Sciences*—Subjects relating to the physical world. Dr. John F. Conn, chairman. (Biology, Chemistry, Engineering, Geology, Mathematics, Physics).

III. *The Social Sciences*—Subjects dealing with man in his social relations. Dr. Gilbert L. Lycan, chairman. (Economics, Education, Geography, Health and Physical Education, History, Journalism, Political Science, Psychology, Sociology).

COLLEGE OF LIBERAL ARTS AND SCHOOL OF BUSINESS

Courses of Instruction

The number of courses announced herewith is limited, but the University will endeavor to arrange for any other course for which there is sufficient demand. No class will be organized with fewer than ten students.

Courses in the 100 and 200 series are in the main open only to freshmen and sophomores. Courses in the 300 and 400 series are in the main open only to juniors and seniors.

The normal load for a student is three courses. Students with a B average may take four courses. Classes meet every day, five days each week.

Each course counts as one major of credit unless otherwise noted. A major is equal to 3 1-3 semester hours.

For a full description of courses see the General Catalog.
